Ean: 8435684370408
Serie: RABION
Color: Black

Grill and electric griddle from the RABION series in BLACK. Made from metal, PVC and polycarbonate, with elements designed to withstand high temperatures such as aluminium and to last over time such as stainless steel. It has a maximum power of 1200 watts, allowing you to prepare a wide variety of grilled products such as meat, vegetables, etc. Thanks to its non-stick plates, it lets you grill without needing to add oil or fat, which favours the preparation of healthy dishes. With a cooking size of 26X16,5 centimetres, its plates are HINGED, opening fully to 180º and doubling the space for making a roast, or closing with its lid to grill from both above and below, adapting to the height of the food. The grill is fitted with power and temperature control lights and a COOL TOUCH carry handle. It comes with 2 handy GREASE COLLECTOR cups to place at the end of the channel through which the oil and remaining fat drains. Easy to use and clean, it measures 11,5x29,5x26 centimetres.
