

REF. 282620926

Electric Table Heater Perry White/Black 900w 2pot Ceramic Heating Element 3metres Of Cable, Tip-over Protection Safety Grille 17x39,5x38,5cm

Ean: 8435684371634
Serie: PERRY
Color: White / Black

Electric table heater from the PERRY series in WHITE/BLACK. Made of polycarbonate with a ceramic heating element. Equipped with a maximum power of 900 watts to warm camilla-style tables and small spaces, it can be adjusted between two heating levels, 450 watts or 900 watts, depending on the temperature you wish to reach. CERAMIC HEATING ELEMENT technology generates and distributes heat efficiently, creating instant, homogeneous heat, with a modern, compact design, ideal for small sitting rooms and gathering areas around a table, or simply placed on the floor, without taking up much space and creating a cosy atmosphere, with a 3 METRE CABLE so it doesn't have to be placed in the centre of the room. It comes with a TIP-OVER PROTECTION system and a protective grille that stays cool to the touch, making it a safe product, also with an indicator light that shows at all times whether it is switched on or off. It has dimensions of 17x39,5x38,5 centimetres.
