Electric Mica radiator from the BADIN series in WHITE/WOOD. Made of metal, polycarbonate and mica. Equipped with 1500 watts of power spread across its 3 mica heating elements, with two levels to choose from, 1000 watts and 1500 watts, allowing any room to be heated quickly and effectively with low energy consumption, emitting heat from both sides, safely and quietly. It comes with an adjustable thermostat control, an overheating protection system, tip-over protection and a power indicator light. It features an elegant design, with original and innovative colours, in keeping with the décor of your home or office. Easy to transport thanks to its size and wheels, with a handy cable tidy built into its frame for added safety. It measures 63x44x27 centimetres. Available in this series with two maximum power outputs, 1500w and 2000w, with their corresponding sizes, and in two colours, white/wood and black/wood.
