**Table Heater Electric Mica Parker Black 1200w 2Pow
Cable3m Tip-over Protection 13x40x41,5cm**

Ean: 8435684372099
Serie: PARKER
Color: Black

Electric Mica table heater from the PARKER series in BLACK. Made of metal, ABS and a mica heating element. Equipped with a maximum power of 1200 watts for heating under tables and in small spaces, it can be adjusted between its three heating power levels, 450 watts, 800 watts and 1200 watts, depending on the temperature you wish to heat to. With MICA HEATING ELEMENT technology, it generates and distributes heat efficiently, producing heat instantly and creating more warmth with less power than other heating systems, helping to save energy and be kinder to the environment. With an innovative, modern and compact design, ideal for small sitting rooms and gathering areas around a table, or simply placed on the floor, taking up very little space and creating a cosy atmosphere, with a 3-METRE CABLE so it can be placed in the centre of the room without any problem. It comes with a TIP-OVER PROTECTION system: simply lifting it stops it from operating, plus a protective grille that doesn't transmit heat to the touch, making it a safe appliance. It measures 13x40x41,5 centimetres. Available in this series in white and black.
