

Technical Specifications

DIMMER 1004 PR -- 036827 - DIMMER ART.1004/P BL

Specifications: Universal electronic push button dimmer with power supply signal led, for incandescent, CFL and LED dimmable lamps

Note: Max 4 dimmable lamps with CFL or LED load.

Technical Operating Data

Rated input voltage: 220-240Vac

Power range: 11÷25 W CFL | 4÷150 W INC | 4÷25W LED Ret

Colour: black

Type of load: LED Retrofit | CFL | Incandescent-halogen

Dimming: built-in push button

Ambient temperature (Ta): -20...+35 °C

Storage temperature: 50-60Hz

Cables section: 0,75 mm²

Type of cables: flat or round cable H03VV...2x0,75mm²

Fixing/Closure: Screw

Dimension: 92x30x28mm.

Application type: Traditional

Approvals: 

Symbols:  

Item weight: 43 GR

Pieces per unit: 50

Size of packaging: 20 x 28 x 17,5 cm

Packaging: IMBN10

Variants

036827: Black

037536: White

037433: Gold

037399: Transparent
