

VENTILADOR DE PIE CALMA

Technical drawing of the EPOX 16000 BT electric fan. The drawing shows the fan's dimensions: a width of 43CM, a base width of 40CM, and a height of 115-130CM. The fan has a circular grille, a central motor housing with the EPOX logo, and a three-blade design.

VENTILADOR DE PIE CALMA

VENTILADOR DE PIE CALMA

A technical line drawing of the EASY FAN 1600. The fan has a circular grille with vertical slats, a central motor housing, and a control panel on the neck featuring a power button and two speed settings. It stands on a wide, flat circular base. Dimension lines indicate a width of 43CM at the top, a height range of 115-130CM on the right side, and a base diameter of 40CM at the bottom.
